Sounder 2015	1.76%	2.01%	1.14%	1.60%								

Fare Evasion on Link continued a slight decline in April and came in just outside the Agency target of 3%.

Sounder fare evasion was up in April, but remained well within the target.

Overall, combined fare evasion was 3% in April, and fare inspections trended just above the target of 10% inspections of all rail passengers.

The Fare Enforcement Unit reached 100% staffing for the first time since March 2013. The result is a significant increase in inspections conducted. With the sustainment of increased inspections, we expect to see the evasion rate continue to trend downward.
